

CLAY SHOOT CLASSIC

SPONSORSHIP LEVELS

The Hospice of South Georgia Advisory Board is hosting this Clay Shoot Classic Fundraiser on May 5th, 2018 to benefit patient care and needs for Hospice of South Georgia and it's hospice care center, the Langdale Hospice House. This board consists of individuals and leaders in the community that dedicate their time in supporting the only non-for-profit hospice, helping fulfill patient needs and enhancing patient and family experience at Langdale Hospice House. Hospice of South Georgia serves patients with a life-limiting illness, both in the home and at our hospice care center. Hospice serves patients regardless of ability to pay, and when curative treatment has been exhausted. A team of nurses, CNAs, social workers, chaplain, and volunteers surround each patient and family member to give dignity, respect, and support throughout their time in hospice care. By Sponsoring this event, you are helping fulfill patient and family needs!
